

Online Learning @ DCC

Getting Started:

1. **Register early** for online courses to allow time for important mailing instructions on course access.
2. **Required: You MUST use your myDCC username and password to login to your online courses.** The login information is included in the letter mailed to all online students. The packet is mailed to your address listed on your registration form. If you have registered and not received the mailed instructions, please contact the DCC Help Desk at 1-866-334-9179.
3. Identify which learning management system your course will use (**SLN Classic** or **ANGEL**) by clicking on this table of [Summer 08 SLN Online Courses](#).
4. Once you know the learning management system, you will access your course by clicking on either the **SLN Classic** or the **ANGEL** link in the Online Learning section of the My Courses tab in *myDCC*.

IMPORTANT:

SLN Classic - you will use a unique username and password to access your **SLN Classic** course. Click on the **SLN Classic** link in the My Courses section of myDCC and follow the instructions for creating your SLN Classic username and password. You will access your online course from the SLN page.

ANGEL - You can immediately access your ANGEL course once you have logged into myDCC by clicking on the **ANGEL** link in the My Courses section

5. **REMEMBER:** Your Summer Semester course will open **1 week** before the start of the semester. It is very important to access your course during that week and complete any orientation and icebreaker exercises that your instructor has developed. Use that week to familiarize yourself with the online course management technology so you are ready to go when the semester officially begins.

Summer Session I – May 19th – June 19th
Summer Session II – June 23rd – July 24th
Summer Session III – June 23rd – August 7th
